## Poster Session Tips

Posters typically include pictures, data, graphs, diagrams and narrative text on boards that are approximately 40x32 inches. Authors are required to be present with their posters during the scheduled Poster Session of the conference. Authors should be prepared to present elevator like speeches that summarize the poster content to attendees that stop by the poster to view it and ask questions. ## Frequently Asked Questions

1. Will APWA pay my travel expenses and/or registration fee to attend the Conference if I am presenting a poster? *No, APWA would not reimburse you for your travel or conference registration expenses.*
2. What if I have a conflict between the Poster Session time and a conference technical education session that I am presenting? *At least one author of the poster must be present during the Poster Session. This is the opportunity to give feedback to conference attendees who stop to ask questions. Poster Sessions cannot be presented unless at least one author is present during the allotted time.*
3. What happens if I have to cancel my poster presentation because I can't attend the conference? *Please plan on a backup person who will be able to represent your poster if an emergency arises.*
4. Can I have an Internet connection or other electrical support? *If your poster presentation includes electrical equipment, you will need to provide your own source of power (e.g., batteries). No electrical support is available. Internet is available in the Poster Session area. Audio-visual presentations that include sound are not encouraged. These can be very distracting to the presenters located nearby. If you are able to supply headphones for viewers/listeners, sound is acceptable.*
5. What about simultaneous submissions? Can I submit a Poster Session proposal about a project for which I've also submitted a 2019 Chapter Project of the Year Award? *Yes, poster submissions for projects that have been simultaneously submitted for a 2019 Chapter Project of the Year Award are welcomed.*
6. Where will the Poster Session area be located at the conference? *The Poster Session will be held at Hilton Norfolk The Main in the hallway just outside the Exhibit Hall.*
